

**The Play's the
Thing:
Educational
Theatre as a
Method of
Teaching,
Engaging and
Connecting**

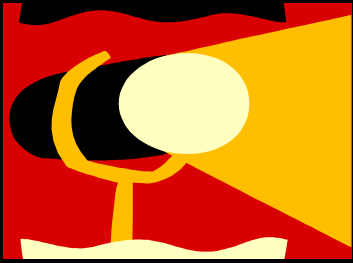

university of michigan
educational theatre company

Setting the stage...

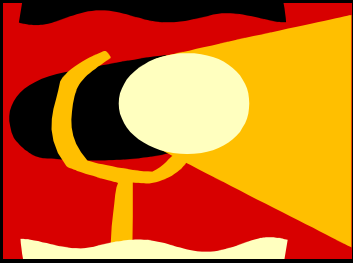

Welcome and Introductions

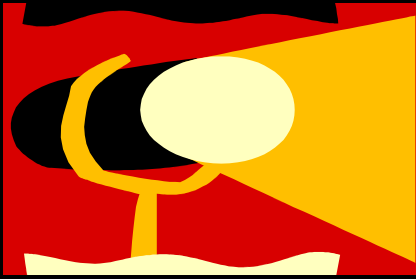

What we plan to share today...

- Examples of how educational theatre can be used in a variety of applications
- Tools and techniques involved used to create material for educational theatre pieces including story telling, role playing and sketch development
- Provide examples of different techniques

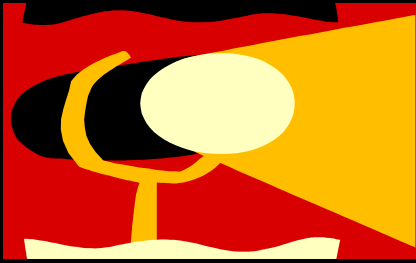

How we use theatre as an educational tool

- Staff Training
- Freshmen Orientation
- International Orientation
- President's Forum on Ethics
- College of Engineering

Why we use educational
theatre...

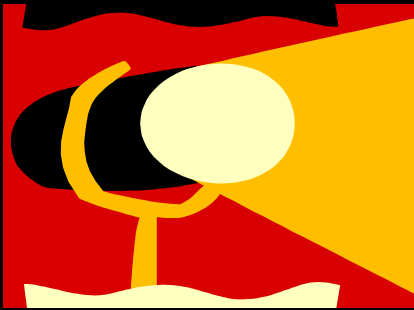

What students tell us...

A Sample Role Play

Audience: Orientation student staff

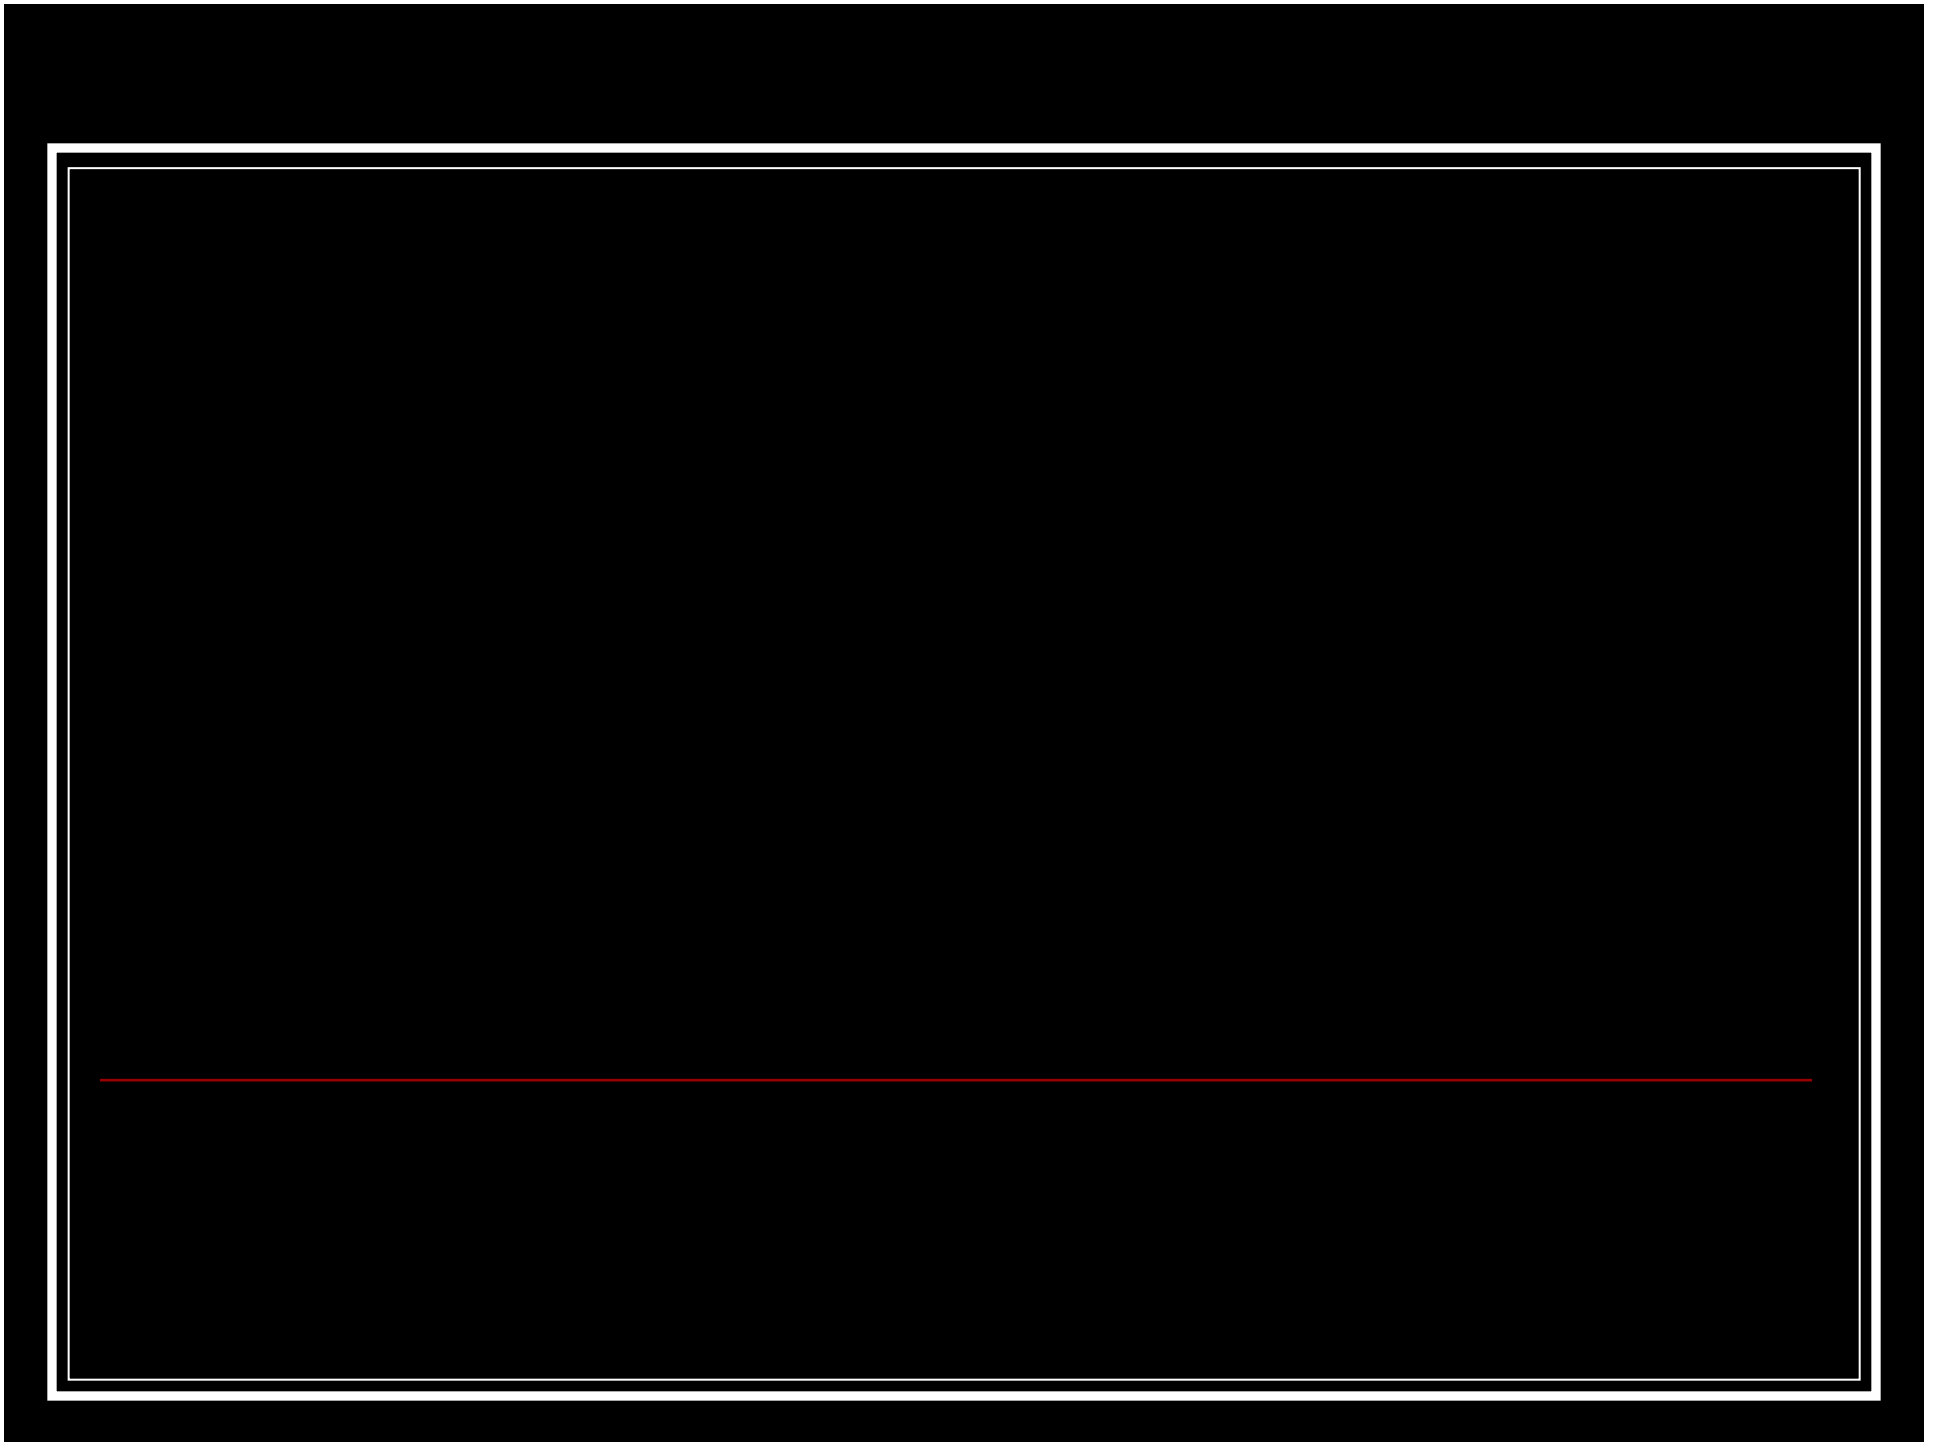

Purpose: to illustrate the decision making process involved in responding to a difficult question

A Sample Sketch

Audience: new college students

Purpose: to introduce the importance
of communicating effectively with
instructors

To:garpend@umich.edu
